Dearest Alexandra,

Simple words cannot explain the gratitude and thankfulness I have for you (and Manolis) to arrange and have a wedding reception here at Fanari Villas.

Since I was a child I loved Santorini and had decided that Santorini was my favorite place on earth. There is something truly special and extraordinary about this beautiful place. To have my wedding here was a dream come true! The best is that I didn't even choose it! My Italian (now) husband and his family chose! How wonderful is that?

There was a lot to plan indeed. A Greek Orthodox wedding with a party for over 50 people! Alexandra you and your staff pulled it off and accomplished it flawlessly! I commend you on your professionalism, your elegance and your energy!

As you saw- we had a reception that looked like the United Nations – Matteo + I have been lucky to live in several different places in the world and the guests come from all over... Greece, Italy, United States, France, Holland, Ecuador, Switzerland ... e.t.c.... Each and every one of them was amazed and honored to be here in such a lovely setting with such a superb reception organized by you Alexandra!

Almost every guest told me this was the best wedding they ever went to! Some told me that they have no need to go to any other weddings as there will be no better one than this! One of our guests (85 yrs old) says that now she has been here and been to a wedding like that she is content! 3 others felt like movie stars from the level of the service!

The Italians had a wonderful time – commented very well on how great the setting, the accommodation and the food were for the reception! The Americans had an experience they will never forget – they are already planning an anniversary party here soon!

Everything you helped us organize – the boat trip (prive), the bus excursion, people loved!

On the day of the wedding the details and perfect venue – with every last detail planned and done by you was not only recognized by the guests – but also greatly appreciated!

Alexandra – you are my honorary Koumbara! All the tips – your knowledge, experience and wisdom helped Matteo and I get through all the heavy planning & enjoy till the early hours of the morning!

This is a magical and very special place – Matteo and I thank you from the bottom of our hearts for everything you and Manolis plus the staff did.

We have enjoyed being blessed as one on this paradise on earth. Fanari Villas the the BEST place EVER to get married!!

Thank you !

Matteo and I hope to see you soon and celebrate many special moments here at Fanari!

Love

What a magical place! We came here to get married + relax, and we had a fantastic time doing both! Thank you to Alexandra for all the help organizing the wedding + for sorting out the grumpy old man at customs so I had a dress to wear! Beautiful villas + beautiful people. Thank you

Guests at this wedding

We've had a fantastic time in our little villa, particularly enjoying looking at the stunning views of the caldera from our terrace. What a sight!

And of course the added bonus was Margarita + George's wedding – a truly memorable evening – thank you for the invite!

We would love to come back!!

Στον Μανώλη, την Αλεξάνδρα και το προσωπικό του ξενοδοχείου:

Σας ευχαριστούμε μέσα από την καρδιά μας για την τέλεια οργάνωση της δεξίωσης γάμου μας εδώ στο Φανάρι. Οι καλεσμένοι μας δεν σταματούν να μας λένε πόσο όμορφα πέρασαν αυτή τη βραδιά. Ζήσαμε πραγματικά πολύ ιδιαίτερες στιγμές. Θα μας δείτε ξανά του χρόνου στην 1^η επέτειο γάμου μας.

All the best

What can be said about the Fanari, that has not already been said in the many pages (and books!) before this one...

We fell in love with Santorini many years ago and decided in /June of 2007 that this should be the location of our marriage ceremony.

This became a reality on Sunday 21st September 2008. After a ceremony at St John the Baptist Catholic Cathedral in Fira we held our reception at the Fanari.

Simply magical!

The setting, the food, the ambiance, the decoration and the staff all made this the most memorable day of our lives this far.

Thank you Alexandra, Thank you Maria, Thank you Fanari!!!

Andrew & Joanna Jarman
